Estate Vineyards & Winery  
Willamette Valley, Oregon

Before Micro-Brews & Artisan Coffee...  
there was St JOSEF'S  
*Oregon Wine Pioneers since 1983*

Planted in 1978; with our first 'legal' vintage in 1983- St JOSEF'S is one of Oregon's Wine Pioneers. Our goal is to make food-friendly wines that can enhance any meal without breaking the bank; as well as a line of reserve wines to enjoy on special occasions (like Tuesdays).

We raise our own grapes from our five estate vineyards, maintained without the use of irrigation, harsh chemicals or pesticides. We've earned both Salmon Safe and Live certifications for our sustainability.

*Enjoy!*

## 2012 Kitara *Estate Grown - Cool Climate* SYRAH

"Kitara" is named from the winemaker's son "Kirk" and daughter "Tara". Our Cool climate Syrah is a food friendly wine that has more in common with northern Rhone wine than a jammy fruit bomb. Our warm summer days combined with cool nights makes the wine ruby red, medium bodied and very food friendly. Notes of red currant, cinnamon spice, blackberry and a bit of pepper fill the glass. Combined with balanced acidity and soft finish it makes for a fine wine.
