Estate Vineyards & Winery  
Willamette Valley, Oregon

Before Micro-Brews & Artisan Coffee...  
there was St JOSEF'S  
*Oregon Wine Pioneers since 1983*

Planted in 1978; with our first 'legal' vintage in 1983- St JOSEF'S is one of Oregon's Wine Pioneers. Our goal is to make food-friendly wines that can enhance any meal without breaking the bank; as well as a line of reserve wines to enjoy on special occasions (like Tuesdays). We raise our own grapes from our five estate vineyards which we maintain without the use of irrigation, harsh chemicals or pesticides. We've earned both Salmon Safe and Live certifications for our sustainability. Enjoy!

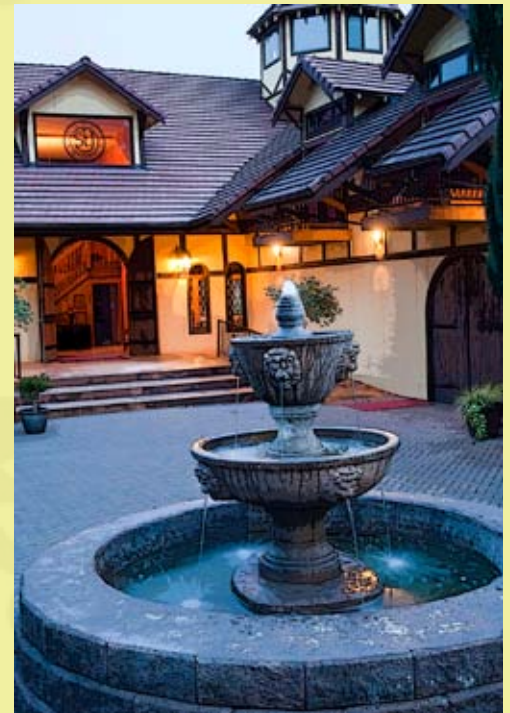

## 2011 Lot 22 "Starling Hill" *Single Vineyard* Pinot Noir

Made from a single block from our favorite hillside vineyard  
- where we're lucky to harvest a little fruit before the birds  
eat everything!

Ruby red, earthy, soft, delicious. An outstanding year for  
Pinot and this rich blend is great on its own or with a meal.  
Aged 18 months in small French oak barrels and then 2  
years in the bottle.
