

# St JOSEF'S

Estate Vineyards & Winery  
Willamette Valley, Oregon

Before Micro-Brews & Artisan Coffee...  
there was St JOSEF'S  
*Oregon Wine Pioneers since 1983*

Planted in 1978; with our first 'legal' vintage in 1983- St JOSEF'S is one of Oregon's Wine Pioneers. Our goal is to make food-friendly wines that can enhance any meal without breaking the bank; as well as a line of reserve wines to enjoy on special occasions (like Tuesdays). We raise our own grapes from our five estate vineyards, maintained without the use of irrigation, harsh chemicals or pesticides. We've earned both Salmon Safe and Live certifications for our sustainability.

*Enjoy!*

## St Josef's Estate Cuvee '11 Pinot Noir

Pommard & 667 clones grown in jory soils give this vintage a deep garnet color, smooth black & red cherry on the nose and a long tobacco infused finish. Aged 11 months on French and Hungarian Oak.

## St Josef's '14 Pinot Gris

100% Estate Grown- a beautiful blend of subtle apple & pear on the nose and a clean acid balance on the finish. Made in stainless steel with 60% free-run (not pressed) to enhance the freshness and feel of the wine.

## St Josef's '14 L'Esprit - Estate Gewurztraminer

We call it - for it is a spirited wine! Grapefruit & spice up front and a slight bit of effervescence, followed by an off-dry finish with great balance. One of our most popular and very unique to St Josef's.

## Sparkling 'Lilli'

Fun, fresh sparkling wine -named for the matriarch of the family. Tropical fruit & grassy aromas, and light spritziness on the palate that is complimented by the crisp finish. Enviromentally served in a tall unique bottle with screwcap closure.... Prosit!

## Kitara Reserve Pinot Noir '11

Our barrel select Pinot is was hand selected from our best vineyard sights to produce this round, luscious wine. 100% Pommard clones provides ruby color, minerality and depth; aged for 18 months in French Oak.

Serious Wines ... For the Not So Serious ©
